BREAD OF LIFE MEAL PROGRAM

Thanks to everyone who helped make our July community meal a success. We served 67 guests, 9 band members and various volunteers from St. Anskar's and Lake Country Unitarian Universalist Church. Despite the severe weather, food, fun and fellowship was had by all. A special thanks to Bill Webster who set up all the tables and chairs for 100 people. The rest of the set-up crew, Dick and I, Bill and Loretta Emanuelson, Kay Boesen, Paul Turek and Diane Cramer, were pleasantly surprised to find the hard part done. Thanks to all who helped the day of the meal: Doris Kimball, Marge Nelson, Jackie Gavin, Suzanne Stigney, Emilie Beaumont, Meg Haag, Sarah Hintz, Paul Turek, Diane Cramer, and Dick Raymaker. If I forgot anyone please forgive me.

The time just before, during and after the meal is very hectic under the best of circumstances and with the tornado sirens going off it was more so this time. And I'd like to especially thank people for just pitching in where needed. I never know how many volunteers will be coming from the other church or what exactly will need to be done. When there was nothing else to do, people just went out and fellowshiped with our guests.

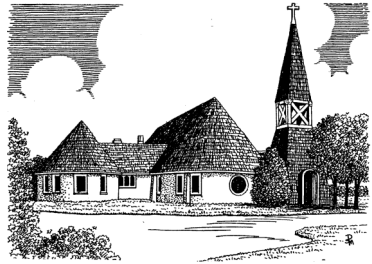

That is one of the main things we are providing and if we hope this program will attract new members to our parish, it is essential to make ourselves known. The next date for us to host is not set yet, but it will not be for a few months. In *John, Chapter 21*, Jesus tells Peter over and over that if he loves Jesus, the way to show it is to "Feed my sheep." We are doing His work by serving at the Bread of Life community meal program.
